NATURE OF INCIDENT:

On June 14, 2002, at approximately 1353 hours, Deputy John Detreville and Michael Davis responded to the location on a "Fire/ Man with a knife call." While investigating the call, they spoke with several victims who told them that they had been chemically burned by a male suspect. The suspect had thrown an unknown chemical substance at them which ignited. As they spoke to one of the burn victims, they saw a male covered in blood, being chased by the suspect who was holding a knife in his right hand. The suspect's hand was raised above his head and he was holding a glass vial in his left hand. The suspect ran directly toward the deputies and had a blank look on his face. Deputies Detreville and Davis, fearing that they would be stabbed or chemically burned by the suspect, fired several rounds from their duty weapons. The rounds struck the suspect fatally wounding him.

INVOLVED EMPLOYEES STATEMENTS:

Deputy John Detreville said he was working 81M (a motorcycle traffic unit) when he received a call to respond to [redacted], on a "Fire/Man with a knife call." When he arrived at the location, he pulled into the driveway portion of the parking lot. He saw a male, an apparent burn victim, sitting on steps wearing only his underwear. He saw a second male, also an apparent burn victim, with the skin peeling from his arms. He asked one of the males where the man with the knife was; he was told there was no man with a knife. He broadcast a Code 4 to assisting units, advising them of the updated information. He was then contacted by a female employee of the location. The female advised him that there was a male suspect assaulting other employees with a knife inside the location.

He heard a woman scream "There he is." He looked in the direction of the front door of the location and saw a male covered in blood, being chased by the suspect. The suspect was holding a glass jar in his left hand and a knife in his right hand. He heard the suspect yelling but could not distinguish what was being said. He saw the bloody victim run in a westerly direction and saw the suspect look directly at him. The suspect ran at him and he stepped backwards drawing his weapon and ordered the suspect to stop. He thought the suspect would stop, but the suspect continued to advance toward him. He believed the suspect was either going to stab or burn him with caustic chemicals. Fearing for his safety, he fired one round from his duty weapon. The round struck the suspect in his chest but did not stop his advance. He fired two additional rounds and the suspect fell to the ground. The glass bottle broke but did not ignite. He smelled the distinct odor of chemicals coming from the broken bottle.

INVOLVED EMPLOYEES STATEMENTS:

IAB Note: Homicide investigators examined Deputy Detreville's 9mm, Beretta duty pistol. Homicide investigators counted a total of thirteen rounds in Detreville's duty weapon, 1 round chambered and 12 in the magazine. Detreville told investigators that he normally carries his duty weapon with 16 rounds, 1 round chambered and 15 rounds in the magazine.

Deputy Michael Davis said he was at briefing at San Dimas Station when he was advised by Sergeant Matthews of the "Man with a knife" call. He and his partner, Deputy Hahn, responded to Arrow Highway in their marked patrol vehicle. When they arrived at the location he saw Deputy Detreville speaking to 2 male apparent burn victims. He saw that the skin on one of the male's arms was severely burned and peeling. He heard one of the males tell Detreville that they had been burned by the suspect but that there was not a man with a knife. He heard Detreville broadcast a Code 4 advising that there was no man with a knife at the location.

Suddenly a woman walked up behind them and advised them that there was a male suspect inside the location assaulting other employees with a knife. He heard someone yell "There he is". He looked in the direction of the front doors of the location and saw a male covered in blood running from the location followed by the suspect. The suspect was holding a knife over his head in his right hand and was carrying a brown colored jar in his left hand.

The suspect looked directly at them, changed direction and ran toward them at full speed. He drew his duty weapon, stepped to one side of Detreville, and stepped backwards. He heard a shot but is not sure if he fired the first round or if Detreville fired first. He saw the round strike the suspect and expected the suspect to stop. The suspect continued to advance and he fired his weapon four or five more times as he slowly walked backwards. Davis added that he believed the suspect was going to stab them or burn them with chemicals had they not fired on and stopped the suspect.

IAB Note: Homicide investigators examined Deputy Davis' 9mm, Beretta duty pistol. Homicide investigators counted a total of ten rounds in Davis' duty weapon, 1 round chambered and 9 rounds in the magazine. Deputy Davis told the investigators that he normally carries his duty weapon with 16 rounds, 1 round chambered and 15 rounds in the magazine.

WITNESS STATEMENTS:

Sergeant Terrance Matthews responded from San Dimas Station, to the call of numerous burn victims. When he arrived at the location he saw Deputies Detreville and Davis talking to several burn victims in the parking lot of the location. He heard one of the victims say that the suspect was inside of the location with a knife. He was about to retrieve a "Taser" and a "Bean Bag gun" from his vehicle when he turned and saw a male (suspect) exit through the front door of the building. The male was holding a knife, raised in a stabbing position, in his hand. He drew his weapon as the male ran in toward the deputies. Before he had a chance to shoot, he saw Deputies Detreville and Davis shoot the suspect four or five times. The suspect fell to the ground within ten feet of the deputies.

WITNESS STATEMENTS:

Deputy Nicholas Cannis responded to the call of numerous burn victims from [redacted] (approximately ½ mile west of location). As he was responding he saw a motor unit (Deputy Detreville) ahead of him responding Code 3 (lights and siren). When he arrived at San Dimas Avenue and Arrow Highway, he saw two males running west from the location in the call, toward the gas station, located on the southeast corner of Arrow Highway and San Dimas Avenue. He pulled into the gas station as the motor unit pulled into the driveway of the location (Maxdem). He heard a radio broadcast update advising of a possible assault with a deadly weapon also occurring at the location. He believed the males he saw running into the gas station might be the suspects involved in the assault.

He detained the two males and saw that they were burned and bleeding. He was told that another employee was going crazy and was burning and stabbing other employees of the location. One of the males he was detaining shouted "That's him,"as he pointed toward the front doors of the Maxdem building. He looked in that direction and saw a male being chased by another male who had a knife in his hand. He saw Deputy Detreville draw his gun, step backwards, and fire his weapon as the suspect approached him. He saw Detreville's rounds strike the suspect and saw the suspect fall to the ground. He added that the only other Sheriff's Department member he saw present was Sergeant Matthews.

Deputy Hahn said he and Deputy Davis responded from the San Dimas Station to the call. When he drove into the parking lot of Maxdem building, he saw a motor unit and noticed that some of the people were burned. He heard someone say that there was a person inside with a knife holding victims. He walked with Sergeant Matthews to retrieve a "Stun Bag" gun, from the rear of Matthews' vehicle. He turned and saw a male covered in blood, exit the front door of the building followed by another male who had a knife in his hand. The males ran toward Deputies Detreville and Davis. He heard gunfire but did not see who fired. He saw the rounds strike the suspect and saw the suspect fall to the ground. He was not able to shoot at the suspect because Victim Fragoso was in his line of fire.

[redacted] said he was working at Maxdem when he was attacked and set on fire by the suspect. He rolled on the ground, extinguished the fire, called 911, and ran from the building. Once outside he saw Sheriff and Fire Department personnel had arrived. While he was talking to a deputy he saw [redacted] ([redacted]) run out the front door yelling, "He's hurting me, He's stabbing me." He saw that Suspect Feras was chasing [redacted] and that he (Feras) had a knife in his right hand which was raised above his head as if he was about to stab [redacted].

[redacted] said he heard one of the deputies yell, "Drop the weapon. Put the bottle down." The suspect turned and ran toward the deputies. The suspect was within just a few feet of the deputies before they shot him. He added that the deputies were fully justified in shooting the suspect. He believed that if they (deputies) had not arrived when they did [redacted] would have been stabbed additional times and others might have been injured by the suspect.

WITNESS STATEMENTS:

[redacted] said he was working at Maxdem when he was stabbed by the suspect several times. He managed to break free and he ran out the front door of the location followed by the suspect. Once he reached the parking lot, he saw two deputies talking to other victims. The suspect ran directly at the deputies holding a knife raised in a threatening manner. He turned to see the suspect being shot twice by the deputies before the suspect fell to the ground. He added that he did not recall if the deputies said anything to the suspect before they shot him.

[redacted] said he was working at his business located directly across the street from the Maxdem building. He saw police and heard sirens as a police motorcycle pulled into the driveway of the location. As he stood in his doorway looking south, he saw several people talking to the deputy sheriff who had arrived in the parking lot by motorcycle. He saw two males exit the front door of the building screaming. He heard one of the deputies yell something at one of the males as the deputy stepped backwards. He heard a total of six gunshots, but could not tell which deputy fired his gun nor could he tell which male had been shot.

[redacted] said he ran to the gas station at the southeast corner of Arrow Highway and San Dimas Avenue after he was attacked by the suspect with a screwdriver. While he was at the gas station he saw the suspect chasing someone from the building. He heard the police yell "Hold it " twice. The suspect ignored the police and continued to run directly at them. He heard three or four gunshots and saw the suspect fall to the ground.

[redacted] said he was sitting on a block wall eating his lunch at the "Arco Station" when he saw a police motorcycle pull into the driveway of the Maxdem building. He heard the deputies yell "Drop your weapons, Drop what you have in your hands", at least twice. He saw a male running toward the deputies. The male was holding a large object in his left hand, and a smaller object in his right hand. He saw that the male had a "No fear" look on his face, as he ran toward the deputies. The deputies gave the male, two or three seconds to drop his weapons, before they fired 4 or 5 times.

[redacted] said that he ran outside to the parking lot after he was set on fire by the suspect. Once outside he saw police officers. He then saw [redacted] (Victim [redacted]) run from the front door of the building being chased by the suspect. He saw blood on [redacted] shirt and saw a knife in the suspect's right hand. He heard [redacted] yell, "Help me. Help me," as he ([redacted]) ran toward the police followed by the suspect. He saw the deputies fire their guns at the suspect more than three times. He saw the suspect fall to ground after being struck by the gunfire.

[redacted] said he was working at the "Arco Station" when he saw the suspect throw a glass bottle at another male in the parking lot of the Maxdem building.
